

# BBA Chapter 13 — Peal Perfect vs. Peal Imperfect Contrast Drill

Peal Perfect and Imperfect · Daniel and Ezra · Contrast and Parse

For each form, classify as Peal Perfect or Peal Imperfect, then give Person, Gender, Number, Root (three root consonants), and Translation. Key diagnostic: Imperfect has a preformative prefix (y/t/n/aleph + vowel); Perfect has no preformative.

## Peal Perfect vs. Imperfect Contrast — Items 1–20

| #  | Form        | Conj (Pf/Impf) | Person | Gender | Number | Root | Translation |
|----|-------------|----------------|--------|--------|--------|------|-------------|
| 1  | כָּתַב      |                |        |        |        |      |             |
| 2  | יִכְתֹּב    |                |        |        |        |      |             |
| 3  | אָמַר       |                |        |        |        |      |             |
| 4  | תֹּאמַר     |                |        |        |        |      |             |
| 5  | קָטַל       |                |        |        |        |      |             |
| 6  | יִקְטֹל     |                |        |        |        |      |             |
| 7  | שָׁמַעַבָּא |                |        |        |        |      |             |
| 8  | נִשְׁמַע    |                |        |        |        |      |             |
| 9  | עָבַד       |                |        |        |        |      |             |
| 10 | יַעֲבֹד     |                |        |        |        |      |             |
| 11 | קָטְלוּ     |                |        |        |        |      |             |
| 12 | יִקְטְלוּ   |                |        |        |        |      |             |
| 13 | יָדַעַתְּ   |                |        |        |        |      |             |
| 14 | תִּנָּדַע   |                |        |        |        |      |             |
| 15 | נָפַל       |                |        |        |        |      |             |
| 16 | יִנָּפַל    |                |        |        |        |      |             |
| 17 | שָׁלַחַבָּא |                |        |        |        |      |             |
| 18 | יִשְׁלַח    |                |        |        |        |      |             |
| 19 | קָרָא       |                |        |        |        |      |             |
| 20 | יִקְרָא     |                |        |        |        |      |             |
