

# BBA Chapter 7 — Preposition Drill

Conjunctions and Prepositions · Identification and Translation

For each Aramaic phrase, identify the preposition or conjunction, give its gloss, identify the noun state, and translate the phrase.

## Items 1–20

| #  | Aramaic Phrase | Prep / Conj | Gloss | Noun State | Translation |
|----|----------------|-------------|-------|------------|-------------|
| 1  | קדם מלכא       |             |       |            |             |
| 2  | מן שמיא        |             |       |            |             |
| 3  | לארעא          |             |       |            |             |
| 4  | במלכותא        |             |       |            |             |
| 5  | עד עלמא        |             |       |            |             |
| 6  | על אנפוחי      |             |       |            |             |
| 7  | כאבנא          |             |       |            |             |
| 8  | להן מלכא       |             |       |            |             |
| 9  | הן איתיכון     |             |       |            |             |
| 10 | אחרי דנה       |             |       |            |             |
| 11 | מן גבא         |             |       |            |             |
| 12 | בארעא          |             |       |            |             |
| 13 | כל-קבל די      |             |       |            |             |
| 14 | אף אנה         |             |       |            |             |
| 15 | עם חכימי       |             |       |            |             |
| 16 | למלכא          |             |       |            |             |
| 17 | עד די על       |             |       |            |             |
| 18 | ארו צלם        |             |       |            |             |
| 19 | מבבל           |             |       |            |             |
| 20 | במלכו          |             |       |            |             |

## Answer Key

| #  | Aramaic Phrase    | Prep / Conj           | Gloss             | Noun State        | Translation             |
