

# Chapter 29 — Hophal Weak-Root Function Sort

BBH Chapter 29 · Hophal Weak Verbs

The Hophal is always the passive of the Hiphil. For each weak-root Hophal form: (1) identify the Hiphil active meaning (what the Hiphil of this root means); (2) translate the Hophal passive form in context. Answer key at the bottom.

I-**ו**/Hollow Hophal: **וּ** prefix with shureq vowel (**וּ**) is the key marker. I-**ו**: Hiphil uses **וּ** prefix; Hophal uses **וּ** prefix. Hollow: Hiphil uses **וּ** + chiriq-yod; Hophal uses **וּ** + contracted stem. III-**ו** Hophal: **וּ** prefix + **וּ** ending in Perfect 3ms.

## Hophal Weak-Root Function Sort (18 forms)

| #  | Hophal Form  | Root | Weak Class | Conjugation | Hiphil Active Meaning | Hophal Translation |
|----|--------------|------|------------|-------------|-----------------------|--------------------|
| 1  | הוּבַל       | יבל  |            |             |                       |                    |
| 2  | הוּבְּאוּ    | בוא  |            |             |                       |                    |
| 3  | הוּנְדָּ     | ירד  |            |             |                       |                    |
| 4  | הוּקַם       | קום  |            |             |                       |                    |
| 5  | הוּשַׁב      | שוב  |            |             |                       |                    |
| 6  | יּוּבַל      | יבל  |            |             |                       |                    |
| 7  | יּוּבְּאוּ   | בוא  |            |             |                       |                    |
| 8  | יּוּנְדָּ    | ירד  |            |             |                       |                    |
| 9  | יּוּקַם      | קום  |            |             |                       |                    |
| 10 | יּוּשַׁב     | שוב  |            |             |                       |                    |
| 11 | יּוּיְבַל    | יבל  |            |             |                       |                    |
| 12 | יּוּיְבְּאוּ | בוא  |            |             |                       |                    |
| 13 | יּוּיְנְדָּ  | ירד  |            |             |                       |                    |
| 14 | הוּלְדָּ     | ילד  |            |             |                       |                    |
| 15 | יּוּלְדָּ    | ילד  |            |             |                       |                    |
| 16 | מוּבְּאוּ    | בוא  |            |             |                       |                    |
| 17 | מוּנְדָּ     | ירד  |            |             |                       |                    |
| 18 | הוּגְלָה     | גלה  |            |             |                       |                    |

## Answer Key

| #  | Hophal Form | Root | Weak Class | Conjugation   | Hiphil Active Meaning              | Hophal Translation            |
|----|-------------|------|------------|---------------|------------------------------------|-------------------------------|
| 1  | הוֹבֵל      | יבל  |            |               |                                    |                               |
| ✓  | הוֹבֵל      | יבל  | I-■        | Perfect 3ms   | Hiphil ■■■■■■: to lead/bring/carry | he was led / brought          |
| 2  | הוֹבִא      | בוא  |            |               |                                    |                               |
| ✓  | הוֹבִא      | בוא  | Hollow     | Perfect 3cp   | Hiphil ■■■■■■: to bring (cause to  | they were brought             |
| 3  | הוֹרֵד      | ירד  |            |               |                                    |                               |
| ✓  | הוֹרֵד      | ירד  | I-■        | Perfect 3ms   | Hiphil ■■■■■■: to bring down       | he was brought down           |
| 4  | הוֹקֵם      | קום  |            |               |                                    |                               |
| ✓  | הוֹקֵם      | קום  | Hollow     | Perfect 3ms   | Hiphil ■■■■■■: to raise up /       | the tabernacle was erected    |
| 5  | הוֹשֵׁב     | שוב  |            |               |                                    |                               |
