

# BBG Chapter 10 — Third Declension Parsing Drill

Consonant and Vowel Stem Nouns

Parse each form: Case (N/G/D/A), Number (S/P), Gender (M/F/N), Lexical Form, and Translation.

## Drill Table

| #  | Greek Form | Case | Number | Gender | Lexical Form | Translation |
|----|------------|------|--------|--------|--------------|-------------|
| 1  |            |      |        |        |              |             |
| 2  |            |      |        |        |              |             |
| 3  |            |      |        |        |              |             |
| 4  |            |      |        |        |              |             |
| 5  |            |      |        |        |              |             |
| 6  |            |      |        |        |              |             |
| 7  |            |      |        |        |              |             |
| 8  |            |      |        |        |              |             |
| 9  |            |      |        |        |              |             |
| 10 |            |      |        |        |              |             |
| 11 |            |      |        |        |              |             |
| 12 |            |      |        |        |              |             |
| 13 |            |      |        |        |              |             |
| 14 |            |      |        |        |              |             |
| 15 |            |      |        |        |              |             |
| 16 |            |      |        |        |              |             |
| 17 |            |      |        |        |              |             |
| 18 |            |      |        |        |              |             |
| 19 |            |      |        |        |              |             |
| 20 |            |      |        |        |              |             |

## Answer Key

| #  | Greek Form                                         | Case | Number | Gender | Lexical Form | Translation |
|----|----------------------------------------------------|------|--------|--------|--------------|-------------|
| 1  |                                                    |      |        |        |              |             |
|    | το πνεματος · G · S · N · πνεμα · "of the spirit"  |      |        |        |              |             |
| 2  |                                                    |      |        |        |              |             |
|    | τ χριτι · D · S · F · χρις · "to/by grace"         |      |        |        |              |             |
| 3  |                                                    |      |        |        |              |             |
|    | σματα · N/A · P · N · σμα · "bodies"               |      |        |        |              |             |
| 4  |                                                    |      |        |        |              |             |
|    | τος αωνας · A · P · M · αων · "the ages"           |      |        |        |              |             |
| 5  |                                                    |      |        |        |              |             |
|    | της σαρκς · G · S · F · σρξ · "of the flesh"       |      |        |        |              |             |
| 6  |                                                    |      |        |        |              |             |
|    | τ νματι · D · S · N · νομα · "in/by the name"      |      |        |        |              |             |
| 7  |                                                    |      |        |        |              |             |
|    | πνεματα · N/A · P · N · πνεμα · "spirits"          |      |        |        |              |             |
| 8  |                                                    |      |        |        |              |             |
|    | αωνσιν · D · P · M · αων · "to/in the ages"        |      |        |        |              |             |
| 9  |                                                    |      |        |        |              |             |
|    | τν πλιν · A · S · F · πλις · "the city"            |      |        |        |              |             |
| 10 |                                                    |      |        |        |              |             |
|    | χαρτων · G · P · F · χρις · "of graces"            |      |        |        |              |             |
| 11 |                                                    |      |        |        |              |             |
|    | το σματος · G · S · N · σμα · "of the body"        |      |        |        |              |             |
| 12 |                                                    |      |        |        |              |             |
|    | τας σαξιν · D · P · F · σρξ · "in/to the flesh"    |      |        |        |              |             |
| 13 |                                                    |      |        |        |              |             |
|    | τ νματα · N/A · P · N · νομα · "the names"         |      |        |        |              |             |
| 14 |                                                    |      |        |        |              |             |
|    | της πλεως · G · S · F · πλις · "of the city"       |      |        |        |              |             |
| 15 |                                                    |      |        |        |              |             |
|    | χριτα · A · S · F · χρις · "grace" (direct object) |      |        |        |              |             |
| 16 |                                                    |      |        |        |              |             |
|    | τν πνευμων · G · P · N · πνεμα · "of the spirits"  |      |        |        |              |             |
