

BBG Chapter 28 — Present vs. Aorist Adverbial Participle Contrast

Contemporaneous vs. Antecedent Action

For each adverbial participle clause, classify the temporal relation as CONTEMP (present participle = same time as main verb) or ANTEC (aorist participle = prior to main verb). Then give Tense, Voice, Lexical form, and Translation.

Classification Table

#	Participle Clause	Relation	Tense	Voice	Lexical Form	Translation
