

Chapter 32 — Pual Function Sort

BBH Chapter 32 · Pual Strong Verbs

The Pual is always the passive of the Piel. For each of the 20 Pual forms below: (1) give the Piel active meaning; (2) translate the Pual passive form. Answer key is on the last page.

Pual diagnostic: Qibbutz (u-dot) under R1 + Dagesh Forte in R2. When R2 is a guttural (r, kh, etc.), dagesh is rejected and the preceding vowel lengthens: qibbutz -> holem (e.g., borakh not burakk).
