

Chapter 30 — Qal–Piel Contrast Drill

BBH Chapter 30 · Piel Strong Verbs

Part A: Intensive Piel forms — translate and name the function. Part B: Factitive Piel forms from stative roots. Part C: Declarative / Denominative / SA. Answer key is on the last page.

Test for Intensive: does the subject do the action more forcefully/thoroughly? Test for Factitive: does the subject cause an object to enter a state? Test for Declarative: does the subject pronounce/treat something as X?

Reflection Questions

- For Part A items 1–5, describe the pattern in one sentence: what does "Intensive" add to the Qal meaning?
- Part B: for items 8–12, write the stative Qal meaning and the Piel "factive" meaning. What grammatical *object* does the Piel require that the Qal stative does not?
- Items 13–15: for each, explain in one sentence why "Intensive" does not fit.
