

BBA Chapter 13 — Peal Perfect Parsing Drill

Peal Perfect · Strong and Weak Roots · Daniel and Ezra

For each numbered Peal perfect form drawn from Daniel or Ezra, identify the Root (three root consonants), the PGN (person, gender, number), and provide an English translation. All forms are Peal (G stem) perfect. Verb types include strong roots and the major weak classes: I-aleph, I-nun, hollow (II-waw), III-he, III-aleph, and I-yod.
