

# BBA Chapter 15 — Peal Imperative Parsing Drill

Peal Imperative · Strong and Weak Roots · Daniel and Ezra

For each numbered Peal imperative form drawn from Daniel or Ezra, identify the Root (three root consonants, Peal perfect 3ms form), the PGN (person, gender, number), and provide an English translation as a command ("Do X!"). All forms are Peal (G stem) imperative (2nd person only). Verb types include strong roots and the major weak classes: I-aleph, I-ayin, hollow (II-waw), III-he, and I-yod. Items 17-20 are negative imperative constructions (al + jussive; la + imperfect).
