

BBA Chapter 18 — Peil and Ithpeel Stem Drill

Peil (Simple Passive) and Hithpeel/Ithpeel (Reflexive/Passive) · Daniel and Ezra

For each numbered verb form drawn from Daniel or Ezra, identify the Stem (Peil = simple passive of Peal, or Ithpeel = reflexive/passive of Peal), the Conjugation (Perfect / Imperfect / Participle), the Root (three root consonants, Peal perfect 3ms form), and provide an English translation. Peil perfect: hireq-yod on R2 (qetil pattern). Ithpeel perfect: hit- or it- prefix. Ithpeel imperfect: yit- before R1. Ithpeel participle: mit- prefix. Metathesis: sibilant R1 switches with taw (histt- / yisht-).
